# SIoux EMPIRE SHORTHORN CLUB, Inc.

For the third consecutive year it has been my privilege as president of this organization to invite the cattlemen of the northwest and surrounding territory to the annual show and sale of the Sioux Empire Shorthorn Club, Inc.

In no other year have I felt the confidence in asking you to attend the sale that I have this year. For truly Shorthorns have risen to new heights. Aside from

Tomahawk, grand champion steer over all breeds  
at the 1946 International Livestock Show

the long recognized fact that the Shorthorn cow will better raise her off-spring and develop it on the ordinary farm roughage, than a matron of any other breed, she this past year produced the grand champion steer over all breeds at the Chicago fat stock show and grand champion car lot of feeder calves at the National Western at Denver, Colorado.

Why hesitate? Buy now where quality is high and prices are reasonable.

The sale committee, assisted by Clem Larson, western representative of the American Shorthorn Breeders Association, has selected a choice lot of cattle consisting of 34 bulls and 38 females representing the finest blood lines in the United States and Canada. Farmers, ranchers and breeders may find the type of bulls needed to improve their herds and those in quest of replacements or foundation stock need only study the bred and open heifers both as to conformation and pedigree.

It is hoped by the officers of this association that all breeders and their friends will attend the annual banquet at the Sioux Falls Chamber of Commerce at 6:30 P. M., May 6, 1946.

Show and Sale — May 7, 1946

# TWO New Shorthorn WORLD RECORDS

Tomahawk, purebred Shorthorn steer, grand champion over 1,640 steers of all breeds, 1945 Chicago Market Show, set a new world record total price paid for a single steer selling at \$10 a lb. to total \$11,100. He exceeded by \$898 a previous total for an Eastern States champion in 1933 which sold at \$11.15 a lb. Left to right: Joe Duea, Belmond, Iowa, fitter; C. K. Tomson, sec'y, Shorthorn Ass'n; Jim Boyle, Swift & Co.; John R. Thompson Jr., pres. Thompson's Restaurants, buyer; C. A. Henkel, Mason City, Iowa, breeder.

This load of Shorthorn feeders, grand champions over all breeds at the 1946 Denver National Western, averaged 475 lbs. each, sold for 47 cents a lb., brought \$223.25 apiece, highest total price ever paid per feeder steer. They outsold by \$20 a head feeders of another breed of the same age which later brought 50¼ cents a lb. They were exhibited by the Winkler Sisters, Castle Rock, Colo., and sold to Albert and Ed Fritzler, Sterling, Colo.

# Introduction

---

The Sioux Empire Shorthorn Club, Inc., since its formation has stressed quality as a requisite for entry in their sales. This year is no exception. Last year 30 consignors listed 71 cattle which made possible one of the top consignment sales in the country, and the prospects look equally bright this year.

The night preceding the 1945 sale more than 150 club members and friends attended a dinner and took part in a very instructive and interesting meeting.

It is our sincere hope that everyone will find it possible to attend the dinner meeting this year. It will be held the evening of May 6 in the Chamber of Commerce rooms over Newberry's Department Store, 10th and Phillips Avenue. An instructive and entertaining program has been arranged.

The success of any club depends upon cooperation of its members, local groups and other interests. We would like to take this opportunity to express our appreciation to the Sioux Falls Chamber of Commerce, the Sioux Falls Junior Chamber of Commerce, John Morrell & Co., American Shorthorn Breeders Association as well as the officers and members of the club for their active interest.
